TRINITY CHURCH .- We have endeavored most fruitlessly, to obtain a history of the old Trinity church on Broad street, now nearly leveled with the ground. In its day

it was the largest house of worship in Ohio. Trinity church, we learn from Martin's History of Franklin county, was organized in 1817 by Bishop Philander Chase. The first board of church officers were Orris Parish and Benjamin Gardner, Wardens; John Kilboune and Joel Buttles. Vestrymen, and Joel Buttles, Secretary For a number of years the church was without a regular pastor or church building. Bishop Chase, while residing at Wor-

The church on Broad street was erected in the year 1833, the records of the county showing that the lot was transferred to Trinity congregation in the fall of 1832. Previous to the erection of this building the meetings were held in a one-story frame building on Third street between Town and Rich. The first regular settled pastor was Rev. Wm. Preston who assumed charge of the congregation meeting of the County Commissioners held in 1831, continuing for ten years. He was resterday, the bill of Martin Gerrits for ed but one year.
